6 April 2026

(Transmitted via email: commissioners@brec.org)

BREC Commissioners

Email: commissioners@brec.org

Dear Commissioners,

It is our understanding that as part of your task conducting the City-Brooks Park and Lakes Vision Plan, you seek public comment and feedback.

Please find following, which we request is made part of the public record of your execution of the master plan's formulation, today's pages of our petition's signatures urging you to Keep City Park Golf Course Intact.

As a result of the stakeholder meeting this evening held at Knock Knock Museum I am compelled to state the following: According to Merriam-Webster, **intact** is an adjective **meaning untouched, especially by anything that harms; it signifies something is not damaged, lessened, or broken.** [Emphasis Added]

With respect to the 200 yard signs now on display, the 50 additional yard signs about to be deployed, the names, signatures and emails on petition pages already transmitted and those attached hereto, the 182 control numbered surveys submitted from the public, non-secure wifi from the golf course and private residence that resulted from Friends of City Park Baton Rouge survey drive held at the golf course in which all chose " keep the

course as it is" apparently¹ disputed in the April 1st steering committee meeting, the meaning of "intact" is the Merriam-Webster Dictionary definition - NOT THE SASAKI PURPORTED DEFINITION.

Further, although the public was advised the "survey" was anonymous and open, blocking software has now been deployed which only allows one response per device. It was stated that the survey was extended because there was a paucity of responses from minorities and young people. The blocking software now deployed will thwart receiving the very input for which you extended the survey since many families may have only one device.

With *all said*, supra, please find attached petition responses from April 5 and 6.

Thank you for your time and kind attention.

P.S. Historic City Park Golf Course is a Tom Bendelow Signature Course, one of only 25 municipal Bendelow signature courses in the country. "Executive 9 Hole Course" is a demeaning depiction of Bendelow's world renowned design genius.

¹ Please see attached email to Aneatra Boykin sent at 8:04am requesting to view the video of the April 1 steering committee meeting transmitted this morning for which no response was received.
